13th ANNUAL EDUCATORS' CONFERENCE
BUILDING EXPERTISE

Summary Hotel Speakers Overall Agenda Session Schedule Contact Us

Why Is Building Expertise the Best Conference for K-12 Educators?

Teachers, coaches, school leaders and district leaders across the US attend Building Expertise every year because they've discovered it's the premier event for educators to connect with colleagues, celebrate the successes of the school year, and delve deeply into strategies and tools that transform classrooms from an environment of dependent learning into one of highly engaged independent problem solving. Join us and kick off your summer with a learning experience that will inspire and motivate you for years to come.

- Professional Learning:** Build on the lessons learned during the 23-24 school year and delve deeper into instructional practices that will transform classrooms and reenergize educators.
- Instructional Leadership Networking:** Work through problems of practice with others who are engaged in the same work and share the same "why."
- Marzano:** Those who are implementing Marzano's evaluation model can deepen their understanding of key elements and hear updates directly from Robert Marzano.
- Location:** Orlando, Florida offers attendees the opportunity to bring family members and combine learning with fun!

Make plans now to join us in June!

Additional Items

Select the quantity of items you'd like to purchase.

Imported registration- Preconference Institute

\$499.00

Learn how to start student teaming in your classroom and prepare to be amazed at how quickly students transform into independent problem-solvers. This full day session includes not only the training, but the durable, ready to use materials for teachers and students. Students will get the processes and structures to respectfully agree or disagree with each other as well as learn to work together as a team using roles and protocols to create a team summary of thinking. Participants will also have access to 24/7 on-demand resources through Empower Professional Growth.

each

1

Lunch will be provided.

Please note, the Preconference Institute takes place on Tuesday, June 18, the day before Building Expertise begins.
